GRIMS DITCH – FOI REQUEST 2

Dear HS2,

In refusing our previous FOI request (20-3931) you withheld information under regulation 12(5)(g), citing possible harm to protected species. Would you please provide (under the Environmental Information Regulations)

- Details of the measures taken to protect these species, during the destruction by your contractors of the woodland at Grims Ditch which took place in November 2020
- Any evidence gathered regarding the success or otherwise of such measures.

Personal data (names etc) in any reports may be redacted, to comply with regulation 13.

Would you please allocate a new FOI number to this request, to avoid subsequent confusion.

Regards,

Dr Jim Conboy
