

Two page summary template

Introduction and context:

- Who you are.
- Where you live, how long you have lived there for.
- How you are affected. Distance between your property and the line, construction sites you use, distance to other infrastructure.

This is similar to the section in your petition where you wrote 'who you are'. If you are an agent representing your petitioner you need to write this information about your petitioner, and explain that you are representing them.

Petitioning points:

This section should outline your key issues and remedies. This could be in the form of a table:

Issues	Remedy
Petition point 1	Remedy 1
Petition point 2	Remedy 2
Petition point 3	Remedy 3

This section should be similar to the bulk of your petition, where you outlined issues and remedies. Try and keep issues and remedies short and to the point, do not include technical detail or lengthy extracts of text.

Conclusion

Briefly summarise your key petitioning points and remedies. Highlight any remedies that would address numerous issues (e.g. tunnel)
